

hw_not_broken.cc

```
graph TD; A[hw_not_broken.cc] --> B[iostream]; A --> C[cmath];
```

A diagram illustrating a dependency. At the top is a gray rectangular box with a black border containing the text "hw_not_broken.cc". Two blue arrows originate from the bottom center of this box. The left arrow points down and to the left to a white rectangular box with a gray border containing the text "iostream". The right arrow points down and to the right to another white rectangular box with a gray border containing the text "cmath".
